Re: Freedom of Information Act Request

Mrs. Gina McCarthy,

This is a request under the Freedom of Information Act.

I request that a copy of the following documents [or documents containing the following information] be provided to me:

- The date in which Petro-Diamond, Incorporated first became registered as an Obligated Party (EPA Identification #4088).
- All dates, from 2009-Present in which Petro-Diamond Incorporated was registered as an Obligated Party under the Renewable Fuel Standard ("RFS") program administered by the Environmental Protection Agency ("EPA").
- All dates, from 2009-Present in which Petro-Diamond Incorporated was registered as an Obligated Party under the Second Renewable Fuel Standard ("RFS2") program administered by the Environmental Protection Agency ("EPA").
- Any dates on which Petro-Diamond Incorporated ceased being an Obligated Party under the RFS or RFS2 programs administered by the EPA from 2009 to present.
- Any obligations accrued by Petro-Diamond Incorporated under the RFS or RFS2 programs administered by the EPA from 2009-Present.

In order to help to determine my status to assess fees, you should know that I am affiliated with a private corporation and am seeking information for use in the company's business.

I am willing to pay fees for this request up to a maximum of \$100. If you estimate that the fees will exceed this limit, please inform me first.

Please note that this is an urgent request, as the company was just made aware of information that it feels may be in error and which requires clarification by the EPA.

Thank you for your consideration of this request.

Sincerely,

Brian T. Clark
